PIEDRA
STONE COLLECTIONS

Whether you are true believer in the green movement or you're just passionate in bringing the beauty of nature into your home, there's no denying the appeal of natural materials in interior design.

PIEDRA, beautiful collections of porcelain tile designs inspired by natural stone & marble. Gorgeous and extremely durable, stone-look tile is definitely a smart choice for floors and walls, and very easy to take care of as well. With its fine variety of modern designs and sizes, PIEDRA is sure to add an elegant touch to any décor scheme.

RAPOLANO

Introducing the "Rapolano" series of porcelain tiles, a harmonious blend of inspiration drawn from nature's exquisite artwork. These tiles encapsulate the captivating textures and patterns reminiscent of serene natural settings, where the earth's gentle touch meets water's timeless caress. With "Rapolano," you can effortlessly infuse your interior spaces with the tranquility and charm found in the heart of pristine landscapes. It's a collection that seamlessly bridges the gap between the serene allure of nature and the modern sophistication of design. Redefine your surroundings with the "Rapolano" series, where the essence of nature meets the elegance of your living space.

Each different tiles series is produced to meet different performance requirements. For specific product technical performance, please request from WIFi sales team or their agent or distributor.

Colour Variations: Since the colour reproduction in this printed piece will vary from the actual tile colours, final selection should be made from tile samples. Colour, shade and glaze variations may exist due to the inherent characteristics of porcelain tile.
